

The New RPO is Built and Ready for Delivery

Forget what you currently know about Recruitment Process Outsourcing and open your mind to new technology, new processes and a refreshed market approach. For the last two years, we've been building the only in-house global sourcing solution—and it's based on research and science. Across the globe, we will find the right individuals for your workforce—providing resources of more than 1,400 employees, and services in 50 countries and 27 languages. This gives you the flexibility to scale both globally and in breadth of services—at your pace. The new RPO will provide you renewed confidence and the power to source overnight and transform your organization over time.
